

TANDEM SKYDIVE INFORMATION PACK 2024

Thank you for choosing Skydive Netheravon for your Tandem Skydive!

We look forward to welcoming you to Netheravon!

Skydiving is not something you do every day - well, unless you work here! So we understand that you may have lots of questions!

This information pack has some essential and useful information, together with a checklist of items you'll need on the day.

If you have any other questions, please don't hesitate to get in touch – and in the meantime, why not get in the mood and visit our Facebook or Instagram page – don't forget to 'like' us while you are there!

ESSENTIAL INFORMATION

PREPARE TO WAIT When you book, you will be given an arrival time. This is not the time you will jump! Please be prepared to spend the whole day at the parachute centre! Every effort is made to get you into the air as soon as possible, but sometimes a delay is unavoidable, particularly if the weather makes jumping unsafe or you have been delayed in arriving. Please come prepared, especially if bringing young children with you.

FORMS You will need to complete 2 forms before your skydive. The first form is your British Skydiving Self-Declaration Medical (Form 115A). It is really important you read through this thoroughly. If for any reason you are unable to self-declare, you will need a Doctor's Certificate that can be found on the next page or on the British Skydiving website – Form 115B.

Your second form is the online Tandem Skydive waiver which will be emailed to you around 3 days before your jump. Included in this is the British Skydiving Provisional membership agreement. You cannot jump without either of these forms. These forms will need to be signed by a parent/guardian if the person jumping is under 18.

DOGS Netheravon Airfield Camp has a strict "NO VISITING DOGS" policy, therefore, we respectfully request that you leave your dogs at home. If you bring your dog, you may be turned away.

GUESTS You may bring friends and/or family members with you. Please let your guest(s) know that they must bring photo ID as we are on an MOD site. You will need to book your guests in and will receive a link to the form on the Monday before your jump.

FACILITIES We have a Canteen on site which provides hot and cold food and drinks from 8am. Alcohol consumption is forbidden before your jump, however, alcohol is available for post-jump celebrations.

VOUCHERS Remember to bring your voucher with you on the day (if you have one). Please remember to check that the voucher is in date before you book. Vouchers expire 12 months from the time of purchase! We recommend emailing Virgin Experience Days vouchers in at the time of booking.

WEATHER The weather in the UK can be a little unpredictable and there are times we may need to go on a weather hold. This may mean waiting around for bad weather to clear. If in any doubt, please call us the afternoon before and we can update you on the weather.

FREQUENTLY ASKED QUESTIONS - Please find all FAQs along with their answers here.

SELF DECLARATION MEDICAL FORM - Everyone requires a self-delcaration medical form before they can jump.

DOCTOR'S CERTIFICATE - Required if you are unable to sign the self-delcaration medical form.

WEATHER FORECAST - We use the Met Office weather forecast for Boscombe Down as this is usually the most accurate. We need to be able to see the ground from the plane but we can jump in some cloud (only a little). We also require the wind gusts to stay below 20 knots to be able to carry out skydiving.

HOW TO FIND US - Please click [here](#) for directions to the guardroom where you will need to check in.

WHAT TO EXPECT - You will check in at reception where the paperwork and final payments will be completed. You then attend a 30 minute training session where you are taught everything you need to know for the most exhilarating experience of your life. Once the training has been completed, the jump programme is organised! 20 minutes before your jump you will be called in to get ready and harnessed up. You are now ready for your 20 minute ride to 13,500ft ready to plunge into the skies, reaching 120 mph before the parachute is deployed, slowing you down for a peaceful descent over the Wiltshire countryside.

CHECKLIST

- Online Waiver completed
- Medical form printed and completed (if you do not have a printer we can provide a copy on the day, just ask reception)
- Photo ID to gain access to camp
- Guests booked in
- Dog left at home
- Wearing something comfortable - shoes without hooks!
- A copy of your voucher - if you have one
- Card to pay any outstanding balance where applicable (we do not accept cash)
